June 2, 1954

Dear Jo.

A thought was once put in my autograph "A true friend is one who knows all about you but loves you - just the same." I think this little thought goes for you & I. Don't forget me. Call me this summer, and look for me next year.

Love, Luck & Stuff
Sincerely Yours,
Nancy Jenkins

Best of luck
always to our
sweet son-in-law
sister. Don't forget
the fun we've had
together. Don't forget
the beach and that
crazy beach party
we went to gather
with N.Y. MAMA. Stay cool.
Just as you are
Love
Nancy

To the sweetest gal ever,

So I can never forget this year,
being as close to you as I was.
You were a great help to me because
you took my mind off Zony which
made the days go by faster. Even
though we argued once in a while,
it was all for the best & is all
forgotten.

Please, Jo~~e~~ keep that personality
plus and you'll never have any-
thing to worry about. And, especially,
take care of the guys for me too!

I sincerely hope you and
Jess can make up & come visit
Zony & I. You two were so cute the
night of the Senior Prom ('53).

~~But~~ Never forget me Jo because
I'll think about you often. I'm
going to miss you more than you
think & I apologize for all the
times I gave you a hard time.

I also want to wish all the
success & happiness in the world, to
my best friend, for all the years to
come.

Bye now—

Kitty

AND

Our school has many faces. The faces of individuals will be remembered, but who will remember the other faces? The new entrance, old entrance, cafeteria, and classrooms are as much a part of the school as the students and teachers. Together these faces fashioned our year at Washington-Lee.

MR. T. EDWARD RUTTER
Superintendent of Schools

DR. C. GLEN HASS
Associate Superintendent of Schools

"It is a pleasure to me to greet the students at Washington-Lee.

"I know that Washington-Lee represents for you hard study and the satisfaction of accomplishment, as well as fun and friendship. It stands for stiff athletic competition and pleasant associations in school organizations.

"May I tell you what Washington-Lee means to the school administration? It represents an opportunity and a duty to prepare each one of you for adult life.

"Our aim is that Washington-Lee shall help train all of you to be good citizens of our Democracy. We want to begin preparing you to earn a living, to help you

build good health and physical fitness, to aid you in discovering the worlds of science, mathematics and history and at the same time to develop your appreciation of literature, the arts and music.

"We want to teach you to think rationally, to read understandingly and to express your thoughts clearly. We want you to develop respect for others and to make ethical principles a part of your lives.

"Your faculty and the school administration need the help of every student to achieve these aims at Washington-Lee. We have faith in you. We are proud of all of you, proud of your spirit, your enthusiasm, your accomplishments."

MR. T. EDWARD RUTTER

MR. CHARLES J. WALSH
Assistant Superintendent of Schools

DR. EDWARD J. BRAUN
Assistant Superintendent of Schools

MRS. HELEN K. FINLAY
Associate Principal

"A teacher of English said, 'State where the fourth act of Macbeth begins.' A bright student replied, 'The fourth act begins immediately after the third act closes.' Life is that way. So are high school annuals. One follows another. The frames in which these pictures of life at Washington-Lee are placed change only a little from one student generation to another. But the faces in the frames are new. The events recorded are as old as youth and life. But here are our names and this year's record of our achievements. We are leaving behind in this annual and elsewhere a summary of character which others will see and read."

MRS. HELEN K. FINLAY

BOARD OF EDUCATION

Dr. L. Clark Keating, Dr. Barnard Joy, Dr. Erwin R. Draheim, Dr. Curtis E. Tuthill, Mrs. Elizabeth D. Campbell, Mr. Warren Cox.

MR. JERRY J. GERICH
Principal

"Over the years it has been my privilege to work with many young people in our American secondary schools. The experience with your class, however, has been an unusually satisfying one. I have particularly appreciated the wholesome and objective outlook exhibited toward the varied problems of living and learning in a large school community such as ours. You devoted yourselves faithfully to the many challenging tasks and therefore made lasting contributions to your school. The course you have chartered will be an inspiration for the many who will follow you."

"As you leave Washington-Lee, it is my hope that you will continue to perform your duties, whatever they may be, in a courageous, honest, and constructive manner. In accomplishing this you will fulfill the responsibilities of citizenship which lead to personal success and a useful life."

MR. JERRY J. GERICH

These are the faces of our teachers. They are the inspirational leaders of our learning. They have been behind us every step of the way, counseling, advising, exasperating, forgiving. Without them we would never be prepared for the new face, Reality, outside our school door.

THE

WEEK

We are the underclassmen, the future graduating classes of Washington-Lee. Here we will develop characteristics that will help to guide us as we learn to live in the society of today. We shall be next year's leaders for now we know the routine. In our search for knowledge we've faced something else in high school—hard work.

ACTIVITY

Our stately halls ring with laughter, jazz, and long winded oratory when W-L's activities swing into action. There are shop clubs and hot-rod clubs where you can build a car or wreck one. At honor society and service club meetings the more serious gather. Everyone looks forward to a break in the dull monotony of impossible studies.

Ross Fletcher, President; Jo Shilling, Secretary.

At almost any hour of the day you will find the members of the Student Council hard at work. At the very beginning of the year Loren and Ross attended the Southern Association of Student Councils' Convention at El Paso, Texas. In addition we were host to Northern Virginia District S.C.A. Convention, representatives to the second Miller and Rhoades High School Forum in Richmond and many other things too numerous to mention. Probably the most important institutions for the year were putting the new constitution and monitor system into effect.

The Inter-Club Council is composed of representatives from all the clubs here at Washington-Lee. By working together we are able to maintain the high standards for which our clubs are so well known. We sponsored and made arrangements for the police and prizes in the G.W. Game Parade, and we were responsible for registration for "Happy Hour" and the informative booklets on clubs. At the end of the year we presented a prize for the best club of the year.

Loren Day, Treasurer; Mr. Carrigan, Inter-Club Council Sponsor.

We are Washington-Lee's chapter of the National Honor Society. Having been chosen for Citizenship, Scholarship, Leadership, and Service, we helped to promote honesty and other high standards throughout the school. We sponsored the campaign to help keep our cafeteria clean, and we assisted the guidance department with College Night. Besides revising our by-laws, we had two very enjoyable alumni parties.

We are the Francisca Canpaña chapter of the Spanish National Honor Society. Although a comparatively new club, we are already a well organized group. As the year progressed we had bake sales, participated in the Pan American Assembly, and had a Christmas party complete with the traditional piñata. Having drawn up and adopted new by-laws for our constitution, we feel that our year's activities have been most beneficial.

SCIENCE

Throughout the year we have sponsored the "Help Sessions" in all fields of science and mathematics with members of the Society acting as student instructors. We encouraged applications for science scholarships such as Baush and Lomb, Westinghouse, and William and Mary. We have done our utmost to further the interest of science at W-L.

This year we split up our activities with a drama workshop in one semester and the play "The Robe" the second semester. The Workshop consisted of modern dance,

We joined other high schools for a conference at G.W. High School, and later in the year we acted as host to schools and universities in the area. While representing W-L on a presentation of "Youth Wants to Know," we found many new topics for discussion. A spring conference at G.W. University closed our busy year of friendly disagreement and debate.

TRITY

We started the year off by painting welcome banners for our football games. During this time Alpha was being properly educated on the ways and means of Europe by our speakers. The G.W. game stimulated another project—making "Beat G.W." hats. Christmas then rolled around with the traditional decorating of the Christmas tree. We closed our school year with the knitting of an afghan.

TRI-HI-Y

We began our year by selling T.B. seals. Since then we have entertained children at an orphanage in Washington. We also took care of the children at Anderson Clinic. The new year brought a joint meeting of the Tri-Hi-Y's and a dance full of fun.

Through our year's projects we gained many lasting friendships and memories that will remain with us all.

A black and white photograph showing two women standing behind a table covered with a white cloth. The table is filled with a large collection of dolls, including baby dolls and larger dolls with distinct features. The woman on the left is wearing a dark, long-sleeved top and a light-colored skirt, and she is looking down at the dolls. The woman on the right is wearing a light-colored, long-sleeved top and a dark skirt, and she is smiling and looking at the dolls. In the background, a brick wall is visible. The overall scene suggests a display or a collection of dolls.

The dance at Charlene's house and the Tri-Hi-Y Dance were certainly a great success. Fun and service combined for a most successful year.

TRI-Y

Delta Tri-Y has participated in many interesting activities this year. We had a picnic at the zoo with the children from Junior Village. Many outstanding speakers came to our meetings. With the new year came the selling of T.B. Seals, knitting an afghan, and having a Tri-Y social.

Many lasting friendships were made during the year, and the memories of our good times together will stay with us for many years to come.

Working hard?

Selling "Beat G.W." signs was our contribution to W-L's big football game. At Christmas we not only helped wrap packages for the Christmas Bureau, but we cut trees to be decorated for school use. Planning our dance was loads of fun, and the speakers we heard were most enlightening. Besides taking in new members, we initiated the Tri-Hi-Ys at Wakefield with the hope that they will be able to accomplish a great deal in future years.

"Now you're a member!"

"We played Bingo with old ladies," may sound rather silly, but entertaining the aged played a big part in our program this year.

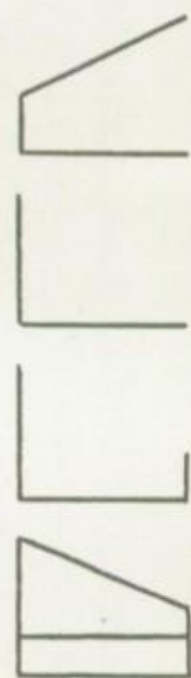

Beta itself is only a youngster of two years, but it is now one of the largest clubs at Washington-Lee. Among our activities was a country-wide Charity Ball for the Pediatrics Ward in Arlington Hospital. Usually a Beta Club member could be found suffocating under mountains of gym clothes in the Lost and Found.

"Suggestions anyone?"

That interested look.

Religious hymns . . . their specialty.

"To know Him and to make Him known," is our motto and to help strengthen this motto we have a prayer meeting every Tuesday morning. We are the largest club in the school, so naturally our activities must complement our size. We presented the second senior assembly which was about temperance, and we helped a family with food and clothes at Christmas. On the lighter side we've had guest speakers, bake sales, and our annual Christmas party.

While learning to work together we have a lot of fun. This year we listened to speakers and watched demonstrations and fashion shows. Among some of our projects were selling T.B. "How corny can you get?"

This year has been a very active one for us. We had two dinners at a French restaurant in Washington; Dr. Keating and Mr. Lincoln came to speak to us, and we watched French movies here at school. One of the most enjoyable times was when the advanced French class presented some plays to us.

T S L L A T A L S

"Snow White and the Seven Dwarfs."

"The show must go on!" and it did. We presented three plays "Snow White," "Indian Captive," and "Land of the Dragon," fourteen times each and still found time for a weekly half hour television show. Under gobs of greasepaint and layers of lipstick our hard working "show kids" entertained most of the elementary and junior high schools in the area—and had fun doing it!

That happy moment.

"Indian Captive."

Our first year at Washington-Lee has been a huge success. Most of our time was spent producing scripts for the local radio station for holidays and special events. We started the school radio station, WLHS, which proved to be most enjoyable for the entire student body. We also visited some of the local stations, listened to speakers, and did television shows.

The first semester began and we set up our program for the year. Included in our program was soccer, hockey, volleyball, basketball, tumbling, and other sports.

We held several field days, inviting other schools to participate. We engineered various faculty-student games and had bake sales. We ended our year with the traditional Mother-Daughter Banquet at which awards were presented on a point basis.

The Key Club is an active service club that is sponsored by the Arlington Kiwanis Club. Money to carry out our projects is raised by bake sales and paper drives. We helped the Kiwanis Club with the March of Dimes and Easter Seals campaigns. We sponsored a senior assembly, and we conducted a "jay-walking" campaign in co-operation with the police department. Our sweetheart, Ann Read, was crowned at our annual Hawaiian Dance.

Our membership includes students from the four corners of the world. Some of these countries include China, Australia, Switzerland, Germany, Pakistan, Guatemala, and Texas. These student members tell us about their experiences in foreign lands. We have speakers, slides, and movies from different countries. At Christmas we had a party for foreign personnel who work in the school. Eating foreign delicacies is one of our favorite pastimes.

Learning the tune of the office worker meant earning money, too. Our metronomes were clacking typewriters and grinding adding machines. On the job training taught us human relations and office etiquette, which are very important for keeping a boss happy. We wore our fingers to the bone learning how to operate all kinds of business machines.

The Robe.

After the torture.

Entertaining the king.

"The Robe" was the biggest production ever to be given on the Washington-Lee cinemastage. A cast of seventy was finally picked from the hundreds of aspirants and the play got under way. Costumes, stage design, set building, hard work, a good time, and a great deal of satisfaction went into this play to make it the most colossal hit ever.

Room 100 was really filled with chatter, laughter, and serious work after the 1953-1954 Blue and Gray staff was chosen. When the school year began, the board of editors met, and having decided upon a theme, we settled down to work. Taking pictures, alphabet-

izing, filing, counting ballots, writing copy, and typing kept us busy until our March deadline. The last minute scramble to send the book to the printer had us all scurrying. It was worth all the fun and worry, though, because we were able to record for you a complete record of your school year.

After our jobs were finished, we had many leisure hours. Some of our time was spent doing homework or resting in the Senior Court. Then the ghost sheets came back from the printer. Then came more fun. we had our annual dinner, and we challenged Cross-ed Sabres to a baseball game.

After having chosen the staff members, we settled down to a year of accurate news presentation. We carried in our pages the day by day story of what occurred in W-L and what its students were doing. Behind us was the spirit of our school.

Reporters gathered the news, it was written, checked, rewritten, and typed. Ads and layouts were completed, and then the paper went to press.

Since the orchestra was first organized, our growth has been phenomenal. There are now eighty-nine student members. With us has grown appreciation for the finer music that we play. We were well received at the sopho-

more, junior, and senior assemblies, but it wasn't quite as easy at it seemed. There were hours of hard practice, broken strings, and flat tones before we could achieve the balance for which we were striving.

With the first down beat we were off to a busy year. You saw the Marching Band at half time during our great football season and in several local parades.

Our Concert Band presented many enjoyable programs at W-L and throughout the county. We also played at the dedication of the new Chamber of Commerce building.

Both groups participated in the Music Festival held at Fairfax in the spring.

Second period class room 127, attention please. The choir has assembled. At the beginning of the year we were confronted by

"Miss Bee's" smiling face and we heard her say, "Big year ahead of us kids." Little did we realize how big it was to be. Singing at the National Cathedral, night re-

hearsals, the Candle Light Concert, All County Choral Festival, National Art Gallery, and finally graduation comprised just some of our "Big year" schedule. Perhaps of prime importance to us was learning to find happiness through the privilege of living and working together.

"Mads" means Madrigals, perseverance, and real work. Our activities began with a conference in Richmond. Then we were off to the Arts Club. Our next accomplishment was getting up at 4:30 a.m. for the sunrise service at National Memorial Cemetery.

Our year in the chorus started with the Christmas Concert. This set off a frantic round of singing at churches, presenting assemblies and participating in County and Spring Festivals. What have we got to show for it? Strained voices and memories of wonderful times.

Faces of W-L appear at the many athletic events wearing a variety of expressions: the chilled appearance of the waiting crowd at the Thanksgiving game, the tense appearance of the players as the opposing team gets deep into home territory, the strained looks of the basketball players as they tear down the court for the winning point, the joyful looks of the spectators at the spring baseball game as we emerge victorious, all these and many more compose the athletic countenance of our school.

SUE GOULETT
Captain

We started the year off with a "F-I-G-H-T" and long hours of practice during the summer, but with the large turnout at our athletic events, it was worth every sore muscle.

Besides functioning at home games, we traveled to Richmond and to Hyattsville. We were also invited to perform with the band during half-time at the G.W.-Richmond game held at Griffith Stadium.

Remember our pep rallies? They really boosted our spirit. Now we know how football players feel when wearing those tons of equipment!

We only hope next year's teams will be as great. We'll surely be behind them with a "F-I-G-H-T."

MAJORETTES

P. Hutchins, F. McNeill, M. Fisher, D. Demboski, J. Philbeck.

Hitting the line.

"Out of the way!"

W-L 20 — Fairfax 0

A strong defensive line holds the opposition scoreless. Walker and Bierlein run through and around the "Rebels." Ward scores on a 57-yard interception.

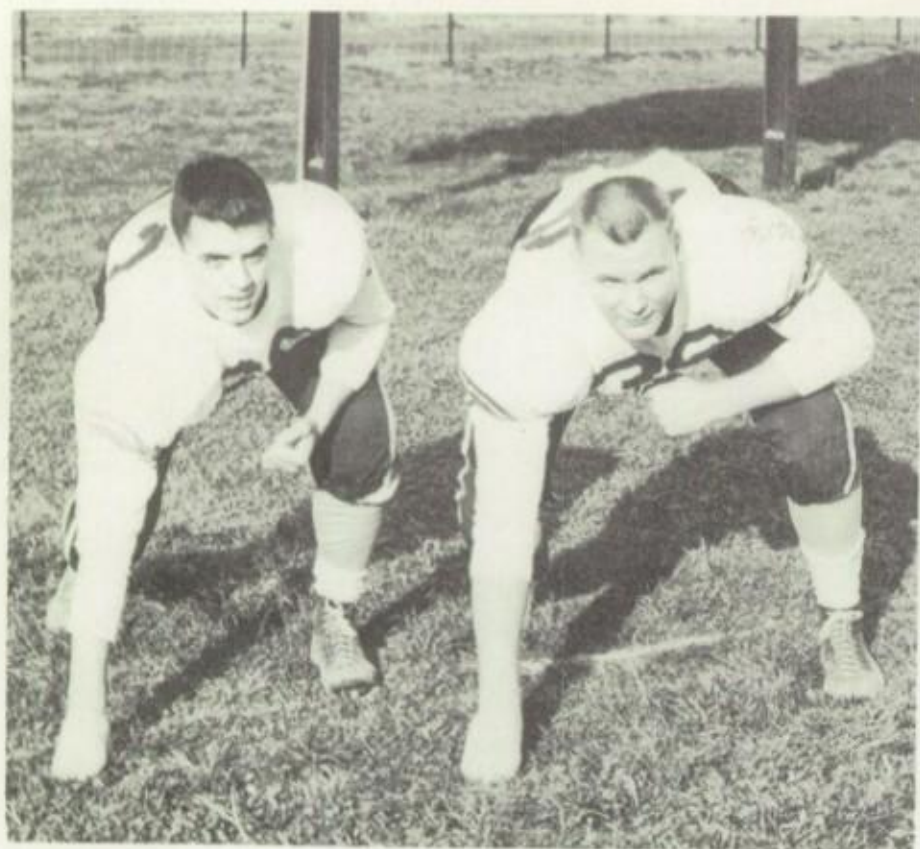

W-L 20 — Northwestern 6

"Wildcats" outclassed as Eberdt leads way to victory. Walker goes the distance on a 27-yard interception, and Motes and Bierlein score on short plays. Only Northwestern score comes in the last quarter.

W-L 27 — St. John's 6

It's W-L all the way as Bierlein takes opening kick-off for 94 yards. Defense tightens in second quarter, and Huston and Eberdt lead a fine backfield against the "Johnnies" for three more touchdowns.

Dick Raines and Co-Captain Chris Plain.

Bill Bierlein and Co-Captain Tom Huston.

W-L 41 — Coolidge 21

Huston and Evans lead attack against "Colts" which nets over 400 yards on the ground. Three touchdowns by Coolidge are a surprise but aren't nearly enough to defeat the no-so-little "Generals."

W-L 6 — Wilson of Portsmouth 13

Both teams play well defensively. Fumbles and an injury to Huston in the second half aid a hard fought-for Portsmouth victory.

W-L 19 — Mount Vernon 7

Martina ably replaces Huston and with excellent support by the W-L line, scores three touchdowns. The "Majors" are the fifth team to bow to the Generals this season.

Touchdown Drive.

W-L 26 — Bladensburg 6

Evans and Martina lead the offense as Watson and Palmer lead the defense against a "Mustang" team with too many injured backfield men.

W-L 0 — T. J. of Richmond 6

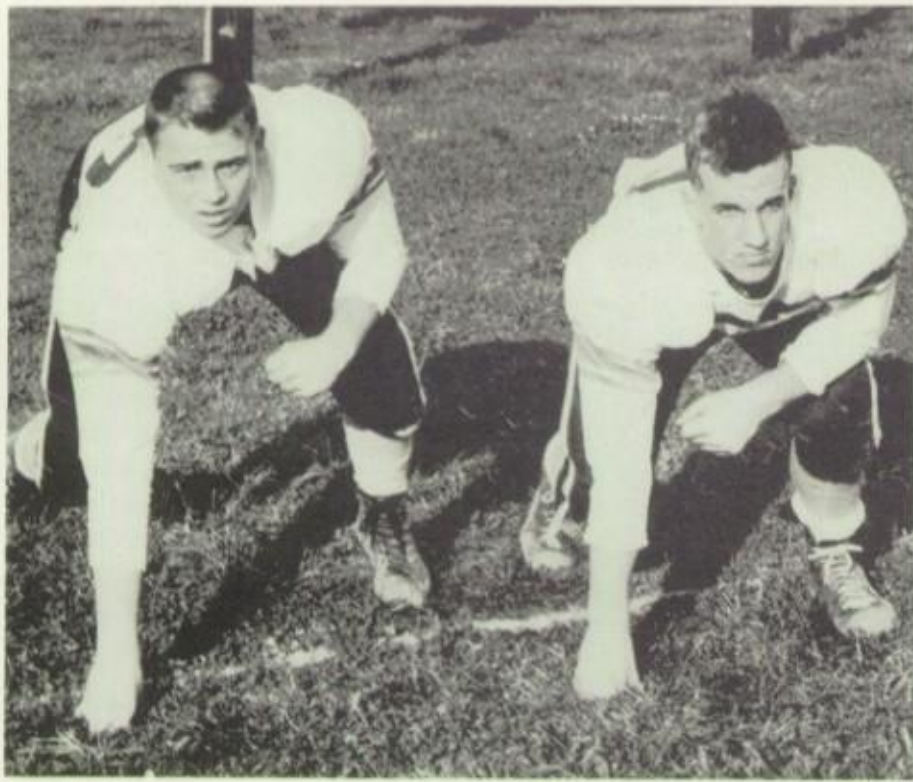

W-L students flock to Richmond to watch two of the State's best teams in action. Although the Generals outgain their opponents in yardage, T.J.'s lone score in the first quarter proves sufficient for a W-L defeat.

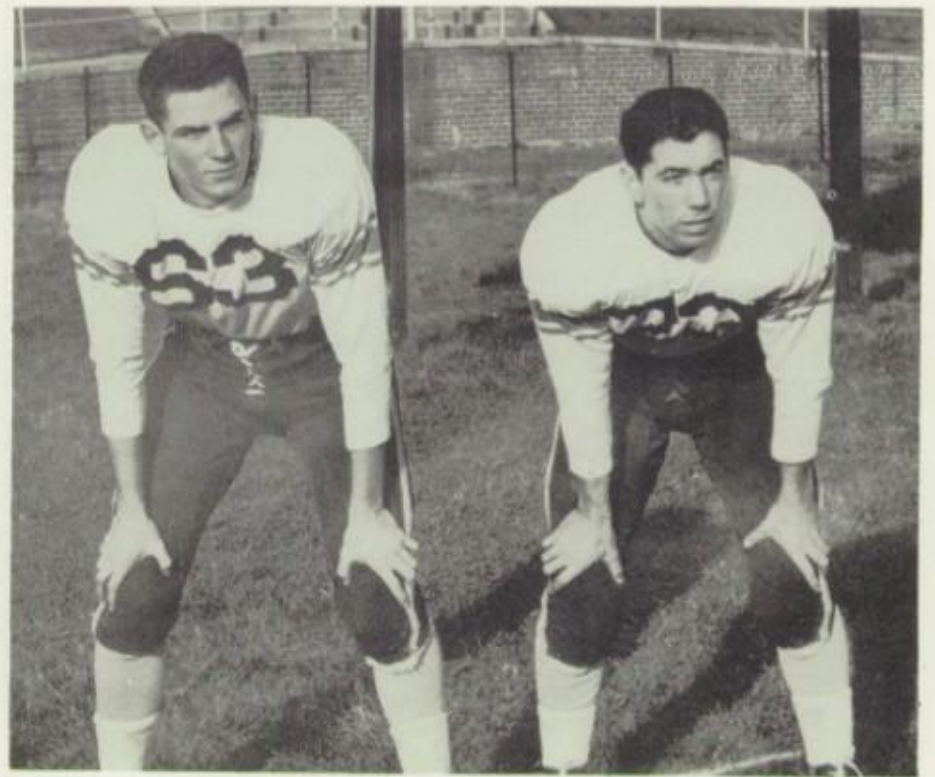

Doug Watson and Skip Motes.

Sonny Whitten and Bill Swift.

John Davey and Paul Cundiff.

Tom Calhoun and Pete Ward.

W-L 12 — Roosevelt 0

Bierlein runs 53 yards and Huston scores two touchdowns, as Roosevelt and star, Phil Perlo, meet their match. Led by Newman's defensive play, the Generals hold the "Raiders" scoreless.

W-L 14 — George Washington 20

Thousands of fans spend Thanksgiving morning watching the traditional football spectacle. Again the Generals outgain their opponents, but a G.W. touchdown in the last four minutes allows the "Presidents" to keep the Oaken Bucket for another year. However, a month later G.W. forfeits the game because of an ineligible player on their squad.

Pulling together.

Last minute orders.

This year the W-L Crew is in its sixth season of interscholastic competition. In the previous five seasons W-L has won four national championships in the varsity eight and one in the varsity double.

Last year the varsity eight posted the best season record of any of the W-L crews. The eight lost only one race while defeating such crews as the Navy plebes, Cornell 150 lb. varsity, and the Pennsylvania freshmen, and winning the Stotesbury Cup at Buffalo, New York.

Row 1: Griffin, Kingsbury, Manager; Axtell, Ellis, Bengston, Quintus, Hargett, Byrns, Parks, Risdon, Fridrich.

Out for a ride.

"Working on the barge."

This year only four varsity lettermen are returning. However, many of the boys on the J.V. eight, which also lost only one race, are coming back this year.

The schedule for W-L's crew this season includes races with the Navy plebes, the Pennsylvania freshmen and 150 lb. varsity, and the Stotesbury Regatta and the National Championship Regatta at Worcester, Mass.

Coach Butt and Co-Captains Jim Quill and Ray Clements.

Row 1: T. Hockersmith, D. Edwards, T. Tiches, T. Huston, P. Ward, B. Newman, E. Johnson, M. Netzer, D. Brown, B. Childress. Row 2: J. Ferry, D. Jacobs, D. Urbanske, B. Howes, S. Dugan, R. Kennedy, G. Pond, R. Vahouny. Row 3: L. Snyder, mgr.; R. Peterson, mgr.; J. Whitehouse, P. Palmer, D. Goddard, B. Bushong, D. Chamberlain, J. Hansen, mgr.; Mr. Morton, Coach.

The Little Generals baseball team, sparked by a new coach, Mr. Morton, and nine returning varsity players, enter another season with great prospects. It is probably the first time in W-L history that they are able to field an entire team of returning lettermen.

The returning varsity men are Dave Urbanski, 1B; Glen Pond, 2B; Dick Jacobs, 3B; Tim Tiches, SS; Bob Chidress, C; Tom Huston and Pete Ward, OF; Tom Hockersmith, P, and Champ Edwards, shuttling between the outfield and the mound.

These nine "wonder boys" were the nucleus of the 1953 Northern Virginia Championship team, that won 16 games and lost only 4. After playing together last spring and summer, these boys are returning with high hopes of spreading the fame of W-L.

The little "Little Generals" are fielding a team of very promising sophomores. With nearly the entire varsity graduating this June, there is much need for a strong J.V. team.

The job of molding the future varsity material has been passed on this year to Mr. Marvin, who succeeds Mr. Batson.
